

# Hastings Branch

April 2017

## President's Message

Lisa West

I'm sorry I missed you all at the last general meeting; I hope you found the speaker interesting and engaging.

On behalf of the Board and entire membership, I want to thank those who contributed funds to send a second NCCWSL applicant to the upcoming Conference this summer; and also let you know that the AAUW MN Board voted to distribute the "unclaimed" 2017 NCCWSL scholarship amongst the nine branches that were awarded State scholarships. So, we'll have a small amount of extra State scholarship funding to put toward our recipients' expenses.

There are only two, perhaps three Hastings Branch members planning to attend the State Convention in Willmar at the end of this month. Please let me know if you plan to attend, so I can get you added to our delegate list. I encourage all members to consider attending the State Convention – it's a great way to connect with fellow AAUW members from across the State and expand your knowledge of the impact AAUW has on the world around us.

Lastly, you'll recall that in February, I challenged you to think outside the box regarding how we can make a greater impact in our community. I received one possible initiative from a Board member regarding a North Carolina AAUW Branch that launched the "Laundromat Project" in 2013. The branch supplied a basket of books, a little seating area, and signage encouraging customers to read to their children to better occupy their time spent at the laundromat and to take books home with them. This initiative was designed to enhance literacy. In the first few months, 400 books went home with laundromat patrons. Obviously, this was done with the cooperation and support of the laundromat owners, but is an excellent example of an AAUW branch making an impact in its community, aligned with AAUW's mission. Laundromat owners stated that kids are asking to stop by specifically now so they can pick up a book! If this is the kind of project you'd be interested in partnering with other members to explore and possibly implement, or you have other ideas, please bring them forward. This is the kind of initiative that could qualify for a Branch Project Grant from AAUW MN, and it just needs a few helping hands to get it started.

### AAUW HASTINGS BRANCH – GENERAL MEETING MINUTES—March 27, 2017

**PRESIDENT** - Lisa West was not in attendance. Past President Glenda Schnirring called the meeting to order at 7:05 P.M. Glenda welcomed members and relayed her experience of attending a meeting in River Falls, Wisconsin where Lisa Maatz, AAUW Vice President of Government Relations and Advocacy, spoke. Glenda said that listening to Lisa Maatz reminded her that AAUW is policy, not partisan driven. AAUW is already having an effect on Secretary of Education Betsy DeVos. DeVos has softened some positions after sitting down with AAUW members in Washington. Glenda asked that members be aware of threats to Title IX. We should be vocal with our representatives about strengthening its' protections. Finally, Glenda mentioned the "Fearless Girl" statue that now sits on Wall Street in front of the charging bull. The statue was only supposed to be in place for a month. It has proven to be so popular however, that the "Fearless Girl" will be kept in place for at least the next year!

**SECRETARY - Pam Pontzer** - Pam submitted meeting minutes from the February 27, 2017 general meeting that were published in the Twig. A motion was made by Cindy Toppin and seconded by Gail Glashan to approve the February 27, 2017 general meeting minutes as printed in the Twig. The motion was unanimously approved.

**Diversity, Inclusion, and Equity: Community Dialogue, Open invitation—A message from Principal Mark Zuzek**

Dear Citizens, Colleagues, and Students,

On Thursday evening, April 20, 2017 a community dialogue about Diversity, Inclusion and Equity will take place at the Tilden Community Education Center at 310 River Street. The dialogue will begin at 7:00 p.m. and end at 8:30 p.m. Diversity can be identified based on ethnic, racial, sexual, religious, language competence, socioeconomic, mental health, physical health, disability, age and/or gender identification status. Any of these may limit inclusion and access for disaffected persons.

Last week we hosted the first Community Dialogue. It was informing, engaging, and inspiring. We want to continue with this effort and want to grow it. We found that the dialogue process allowed us to hear many important and diverse perspectives. We want to expand and amplify the voices. We hope that you will be able to join us to hear from others and share your perspective.

The format for this dialogue will be “table talks” with several participants at each table. Guiding questions will be asked to allow each person the opportunity to share their experiences and perspective. The goal of this meeting is to more broadly and deeply understand the issues related to diversity and the capacity of the Hastings community to serve all of our citizens.

Guiding questions for this dialogue will be...

1. What are the most burdensome barriers to access to members of our community?
2. What would need to happen to eliminate or diminish those barriers?

We hope to see you there. I encourage you to bring a friend!
