

Work Smart Session

Sponsored by AAUW MN at the State Convention
 Friday, April 26, 2019
 12:30-2:30 p.m.

Work Smart is a workshop created for working women, designed to help women negotiate for a new job, a raise, or a promotion. The AAUW MN State Board is offering this program to working members, but also for branch representatives interested in sponsoring Work Smart that want to learn more about the workshop. All participants are expected to participate in the process.

Workshop presenters are Karen and Dave Kirkwood.

The workshop is limited to 40 participants. Participants attending to learn more about Work Smart will be limited to one person per branch, unless the 40 workshop positions are not filled. Applications for participation will be accepted on a first come, first served basis. Applications from branches that want to send more than one person to learn about Work Smart will not be notified that a second participant from their branch is accepted until after the submittal deadline.

The application deadline is April 17, 2019. Submit applications to State Program VP, Mary Ann Lucas Houx, and not as part of the Convention Registration Form.

Please complete the information below and email it to: **MaryAnnHoux@gmail.com**.
